

FILO

SLIDING COLLECTION

Linee che si inseguono e si incrociano separando lo spazio ma rendendolo, allo stesso tempo, qualcosa di unico... questa è FILO.

Lines that chase each other and intersect, separating the space while making it something unique... this is FILO.

Linien, die einander folgen und sich kreuzen, die den Raum trennen, ihn aber gleichzeitig zu etwas Einzigartigem machen... das ist FILO.

Un sistema di profili perimetrali e listelli intermedi
per creare un'infinità di ante sempre diverse tra loro.

*A system of frames and intermediate profiles to create an endless
number of panels, all different from each other.*

*Ein System von Rahmenprofilen und Querleisten, um eine Vielzahl
von Türen zu schaffen, die sich stets voneinander unterscheiden.*

Con i profili bordatura e listelli Filo diventa molto semplice trasformare vetri fissi in séparé di carattere e design.

Thanks to Filo edging and cross profiles, transforming fixed glass into design partitions with character becomes effortless.

Mit den Filo-Einfassprofilen und -Leisten wird es sehr einfach, Festverglasungen in ein Séparée mit Charakter und Design zu verwandeln.
